

# Durite Live Webfleet Guide

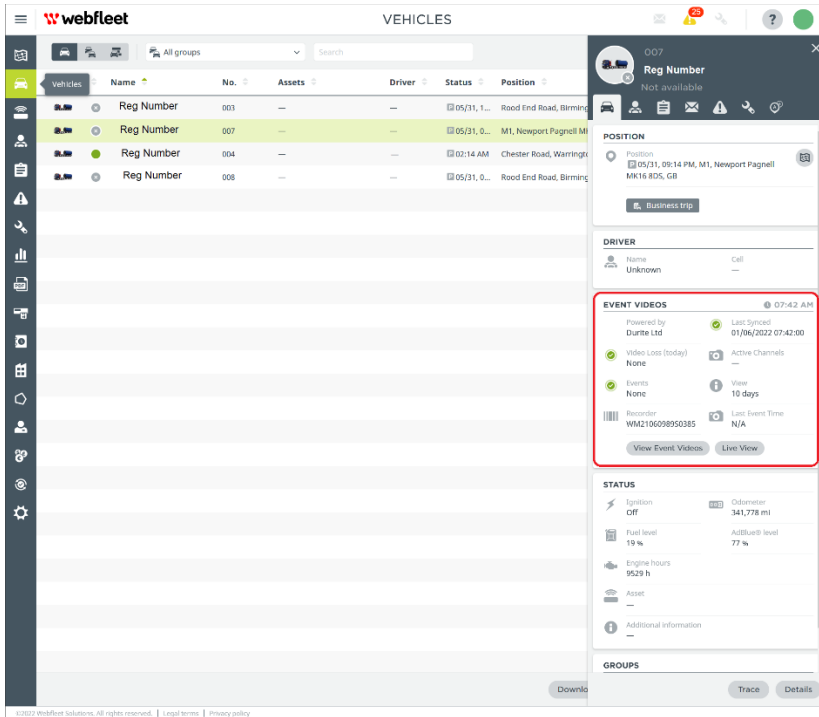

1. Log in to your Webfleet account.

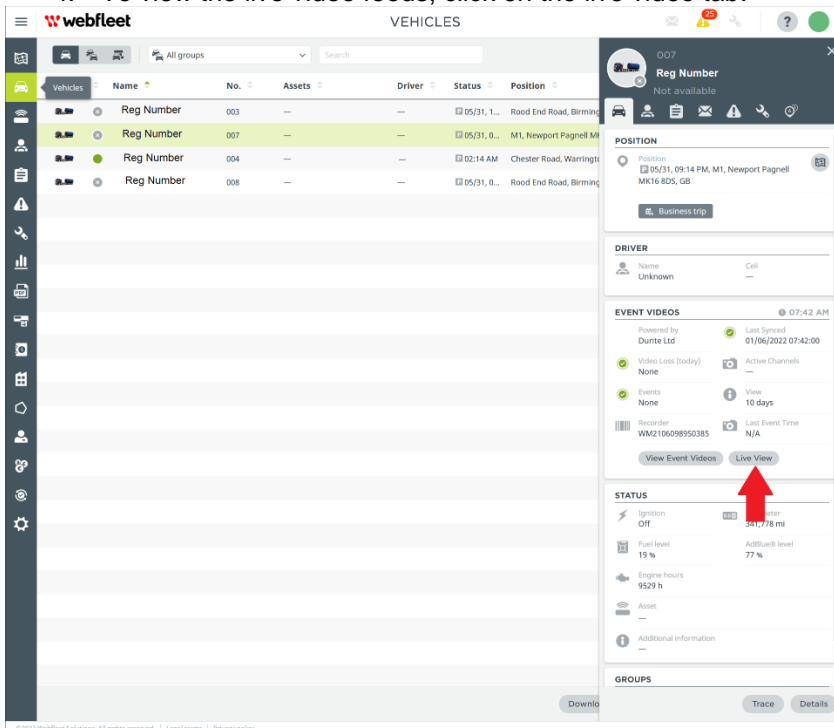

2. Select the Main Vehicles Page to view Fleet Vehicles.

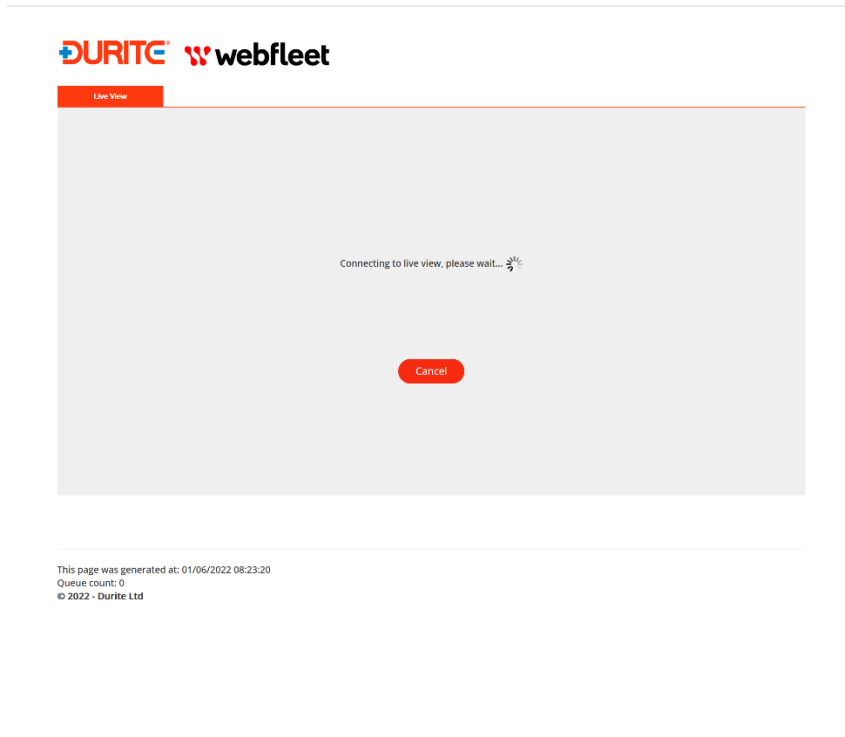

3. Now the Highlighted area will be where you access the Live Video Feeds

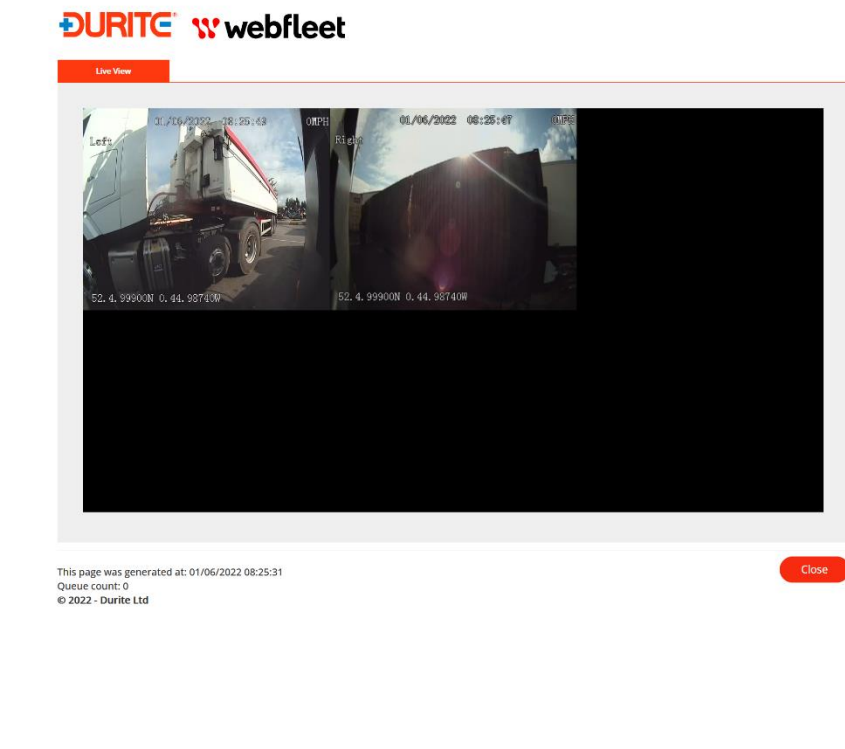

4. To view the live video feeds, click on the live video tab.

- Now this will open the web link to view the video feeds, as long as the vehicle is online at the time.

- Now you can see the Live video feeds from the vehicle.

- Once finished viewing click on Close button.
